**DEPARTMENT OF PHARMACOLOGY AND PHARMACOGNOSY**

**HIV RESEARCH COLLABORATION**

The Department of Pharmacology and Pharmacognosy has developed and delivered a research project on Nevirapine plasma levels through a collaborative network and funding. The research team for this study were:

- **Prof. Scott McClelland** (University of Washington)
- [Prof. A.N. Guantai](#) (University of Nairobi)
- **Dr Susan Graham** (University of Washington)
- [Dr Margaret Oluka](#) (University of Nairobi)
- [Dr Faith Okalebo](#) (University of Nairobi)

Three seminar presentations and one peer-reviewed publication are some of the outputs from this study.

The KNH/UON Ethics and Research Committee under the Chairmanship of [Prof A.N. Guantai](#) has provided support through the review of research protocols and oversight of project implementation.
