

## **ORTHOPEDIC DEPARTMENT ORGANISES NAIROBI ANKLE AND FOOT SYMPOSIUM.**

The Nairobi Foot and Ankle symposium was organized and hosted at Kenyatta National Hospital by the orthopedic department on 21st and 22nd May 2015.

Participants in the two day interactive symposium included Orthopedic residents at University of Nairobi, Moi University and consultant Orthopedic Surgeons. In the symposium, multiple conditions of the foot and ankle were highlighted.

Participants were taken through the up-to-date management of such conditions.
