

VISIT TO JOY VALLEY CHILDREN'S HOME:

The SOP visited Joy Valley children's home on 21st March 2015. The visit was organized by the Students Christian union, with their patron Sylvia Opanga. Students and staff of SOP donated various items- shoes and clothes, beddings. A total amount of Ksh 51,000 was donated. The money was used to buy food items for the children, which will last several months. About 51 students accompanied Dr Opanga to the visit. They were shown around the home by the director. They encouraged the children and staff, sang, danced and played with them, fed them and administered medication to those who were ill.
