

The Finance Students Association (FISA) is a student professional body within the University of Nairobi, School of Business that aims at creating awareness among students with regards to the field of finance. With a mantra of "Broadening Horizons" they endeavor to achieve their goal by bridging the Corporate-student gap. The FISA Executive Committee are deep in deliberations with representatives from Salim Wazaran Kenya(Manufacturers of Indomie) who are the Platinum sponsors of their Sports and fun day event scheduled on 20th and 21st June 2014.
