

## **9th Rosenberg International Forum on Water Policy**

The 9<sup>th</sup> Rosenberg International Forum on Water Policy will be held in Panama City, Panama in January, 2016. The theme of this Forum is *Managing Water and Biodiversity in Humid Areas*. This opportunity is generously provided by the Botin Foundation of Madrid, Spain to involve young talent in the upcoming Forum. The Foundation is sponsoring an essay contest on the theme of the Forum. The Botin Foundation will pay the transportation and maintenance costs of the winner to participate in the Rosenberg Forum and present the winning paper.

The contest is open to “**Young Talent**,” defined as anyone born after **July 31, 1975**, and without regard to national origin. The announcement can be found on the website below where the Rosenberg essay contest appears as **Modality C**. One can access the rules and other information about the competition from the website.
