

## VISIT TO KARATINA UNIVERSITY

On 30<sup>th</sup> April 2015 the last day of the month, the Confucius institute at the university of Nairobi made a visit to Karatina University from an invitation from the Deputy Vice Chancellor Prof. Aloo-Obudhuo, the invitation was on to deliberate on the way forward on starting Chinese classes in the University. The delegates got a chance to meet the Vice Chancellor of the university Prof. Mucai Muchiri who encouraged more cooperation with the Chinese government, apart from the Chinese language he wished the university apart from learning language could benefit from other fields like agriculture and sciences, he hoped through the cooperation with Confucius institute they could a chance to cooperate with other Chinese universities in making their university a world class university. The deputy recommended if there would be an establishment of Confucius institute in the university.
