

Seed Enterprise Management Curriculum Review

Experts from different fields related to Seed Enterprise Management are currently glued at Great Rift Valley Lodge and Resort reviewing curriculum for Short Course in Seed production; seed quality assurance & process management; seed drying, processing and storage; seed marketing & business management.

SEMI is an initiative under the Programme for Africa's Seed Systems (PASS) in AGRA. The hosting institution is the College of Agriculture and Veterinary Sciences, University of Nairobi in the Department of Plant Science and Crop Protection.

The institute in collaboration with KARI, KEPHIS, School of Business, University of Iowa, seed companies and private seed consultants train seed company managers and technical staff in seed production, processing, marketing and seed business management. The institute is funded by AGRA.
