Fri, 06/19/2015 - 21:46

Location / Venue:

UNITID

• VARIOUS FUNDING OPPORTUNITIES

(1) MSc scholarships in petroleum-related courses

Applicants must have been accepted into an MSc degree course commencing in the academic year 2015-16 and have either successfully completed an honours primary degree course or

propose to complete one during the academic year 2014-15.

For more information, visit, <https://www.researchprofessional.com/funding/opportunity/1352975>

(2) Prostate cancer research programme – idea development award The US Department of Defense, under its prostate cancer research programme, invites preproposals for its idea development award. This supports new ideas that represent innovative approaches to prostate cancer research, and have the potential to make an important contribution to eliminating death and enhancing the well-being of men with prostate cancer. For more information visit,

(3) Mandela Rhodes scholarships for masters studies at a South African University

The Mandela Rhodes Foundation invites applications for its scholarship programme. This offers young Africans, who exhibit academic prowess as well as broader leadership potential, the opportunity to pursue their postgraduate degree at a recognised South-African university or tertiary institution. The foundation is looking for individuals that reflect in their character a commitment to the principles of education, reconciliation, leadership and entrepreneurship.
