

CAE holds Expanded CMB meeting

Date and time:

Thu, 2015-07-02 10:36

The College of Architecture and Engineering held an extended College Management Board on Thursday, June 25, 2015, at the Institute of Nuclear Science Boardroom. The meeting, which was chaired by the Ag. Principal, Prof. Peter M. Ngau, was also attended Deans and Chairmen from schools and Departments within the college.

Amongst the key issues discussed included Performance Contracting, Post graduate tracking system, college web metrics and the preparation for graduation together with the budget approved for it.
