

Marking the 2015 world environmental day in style

The University of Nairobi Geography Students Society (UNGSS) led by their Chairperson, Ms Auma Aluodo, once again participated in this years' world environmental day. In accordance with the global calendar of environmental events, this years' world environmental day was marked on Friday 5th June 2015. The UNGSS members participated in the procession, tree planting and during the main celebration at Uhuru Park. The theme for this year was **"7 Billions Dreams, One Planet, Consume with care."** The slogan for this year was **"Save or Perish" – "Usafi Ujamii"**. Many thanks to our partners – Nairobi City County Government, NEMA, Goal Kenya, World Vision and Umande Trust.
