

School of business successfully held its annual Hiv/aids, alcohol and drug abuse sensitization

The school of business successfully organized its annual HIV/AIDS, alcohol and drug abuse as well cervical cancer screening on 2nd April 2014. This is in line with the requirement and provisions of the university of Nairobi Performance contracting. The presenters were medical officers from University Health Services (UHS) in collaboration with I choose life, an NGO that deals with HIV related issues.

The event was graced by the following:

- Dr. Lucy Muhia: Epidemiology of HIV
- Dr. Odula C. : Reproductive health
- Dr. Ambayo : Drug and alcohol abuse
- Dr. Janet Nyaga: Head of Condom Education
- Dr. Thomas Odongo : Voluntary male circumcision
- Sister. Rukunga: Dean of Students, School of Business

Cervical and breast cancer screening was also conducted and this attracted a number of both female students and staff.
