

Varsity's top management VISIT Research station at Moana, Mombasa (South Coast)

Date and time:

Fri, 2015-05-29

Location / Venue:

Moana, South Coast

In a tour of the Research station at Moana, South Coast, council expressed satisfaction in the manner in which the University Management has preserved and maintained the facility, which has a hostel capacity of about fifty students. The chairman of council observed the high potential development opportunity and encouraged the Vice Chancellor to come up with a proposal for improvement of the facilities
