Location / Venue:

Lower Kabete Campus

The University of Nairobi , School of Business in Collaboration with Shanghai Finance University (SFU) will implement the 2+2 program arrangements with the first 20 students expected to report to the University in September 2013. The selection will be very competitive and its will be based on performance GPA and other merit considerations. This was revealed during the recent visit to the School of Business by the SFU Vice president for International programs and Chen Shuaghua , Dean School of International Economics and Trade. The best students will benefit through partial Scholarship and thereafter to full scholarship The ceremony was officiated by Prof. Mbeche , Deputy Vice-Chancellor, Student Affairs, Prof. Njeru, Principal CHSS,S.N.M. Nzuve, Dean School of Business , Chairmen of Departments, Academic staff, administrative staff and Potential Beneficiary students .
