

## CASELAP opens its Resource Centre to students

Date and time:

Sat, 06/29/2013 - 13:34

One of the key objectives of CASELAP's strategy is to develop a state-of-the-art Resource Centre for Teaching and Postgraduate Research. The first step was recently taken by opening the doors of the Resource Centre to students. The centre has about 5,000 books and articles and recently received a boost when UN-Habitat donated 4,000 books and articles.
