### **RE: ASA SPORTS CHALLENGE**

The Accounting Students Association(ASA) has organized a three days sports tournament at the School of Business grounds. The tournament is dubbed the ASA-Versman Cup and is sponsored by ASA in partnership with L'Oreal East Africa. The challenge attracts participation in both outdoor and indoor games activities. Football, Volleyball, Hockey, Athletics, Chess, Badminton, Table Tennis and Scrabble are some of the activities taking center stage in the derbies which have attracted overwhelming participation by all the students irrespective of the module of study. This initiative by ASA objected to motivate individuals with a variety of talents in extra-curricular activities. The theme of the challenge is 'Sporting Towards Peaceful Practices'. It aims to promote peaceful campaigns and elections as it brings all students together advocating for unity in the school to shun violence, drug abuse and other unethical practices as the Seniors handover various leadership positions in the School.
