

CEBIB NEW STAFF APPOINTMENT

Date and time:

Tue, 10/21/2014 - 04:06

Location / Venue:

Centre for Biotechnology and Bioinformatics.

Mr. Parwos Pkiror Abraham has been appointed as the new Postgraduate Research Coordinator at the Centre for Biotechnology and Bioinformatics (CEBIB). Mr Parwos, holds a BSc. Biochemistry degree from Kenyatta University, Kenya. His previous work experience involved handling of research data in private sector, NGOø and government organizations. Mr. Parwosøcontract appointment for the initial 1 year has been facilitated through a collaboration grant programme between KEMRI-Wellcome Trust and CEBIB. The programme is funded by the Malaria Capacity Development Consortium (MCDC). Through this initiative, CEBIB aims to establish a career development

programme through
Postgraduate research.
The purpose of the
programme is to
generate a robust,
efficient and well-
documented
postgraduate
programme at CEBIB.
Parwos hails from
West Pokot County.
