The IMF Team visited the school of economics on 5th July 2013 to launch the Regional Economic Outlook report titled "Africa Opportunities and challenges" under the topic "Recent Economic Development in Kenya" by Dr. Roger Nord Deputy Director of the African Department at the IMF. The team was led by the IMF country Representative Dr. Ragnar Gundmunsson and the assistant Director of the Africa Department and Mission chief for Kenya, Mr. Domenico Fanizza. The event was attended by more than 500 staff members and students who interacted with the team on the economic performance of countries in sub-sahara Africa.
