Research Grants Management Information System's Status Meeting

Research Grants Management Information System's Technical Team, with members from both Finance Department, FIMS Section and ICT Department, MIS Section converged on 15th May, 2015 to brainstorm on the progress of RGMIS and delineate on the current status. The meeting, which was chaired by the Ag. ICT Director, Mr. Paul Kamau, main agenda was to ensure all required activities and facilities are completed in time before the System launch date scheduled 1st July, 2015.
