

## Special college academic board meeting

*College of Health Sciences Principal Prof. Isaac Kibwage chairs special college academic board meeting at the School of Medicine boardroom.*

Members of the College of Health Sciences Academic Board held a special meeting on 23<sup>rd</sup> September, at the School of Medicine boardroom.

The meeting was chaired by college Principal Prof. Isaac Kibwage.

Top on the agenda was presentation and ratification of examination results by deans and directors of schools in CHS.

Board members also discussed regulations and syllabus for Master of Science in Nursing.
