

UoN offered access to SciFinder database on trial

[University of Nairobi](#), [College of Health Sciences](#) (CHS) library is pleased to announce that following a senior staff meeting with SciFinder Database representative, Paul Peters, Chemical Abstract Service, Division of American Chemical Society has offered the University of Nairobi access to SciFinder database on trial basis.

The trial runs from 11th September to 12th December 2015.

The database is particularly useful to departments in the [College of Health Sciences](#), [College of Biological and Physical Sciences](#), [College of Agriculture and Veterinary Sciences](#) and [Kenya Science Campus](#).

Students and faculty will be able to self-register for SciFinder using the following URL:
