

MASTERS STUDENTS PROJECT PRESENTATION 24TH - 25TH SEPTEMBER 2015

Date and time:

Mon, 09/28/2015 - 06:22

Masters students in Population studies and monitoring and evaluation presented their projects on 24th and 25th of September at Room 215. Their supervisors as well as academic staff members were present too in order to give comments and recommendation that will help the respective students prepare adequately for defense towards the end of the year.
