

wPOWER Hub of the Wangari Maathai Institute for Peace and Environmental Studies, University of Nairobi participates in the Nairobi International Trade Fair - 2015

Nairobi International Trade Show

28th Sept - 4th Oct 2015

Prof. P. M. F. Mbithi, the Vice Chancellor, University of Nairobi visits the wPOWER Hub stand.

wPOWER Hub of the Wangari Maathai Institute for Peace and Environmental Studies, University of Nairobi, scopes second position in the best stand demonstrating the application of environmental quality standards, at the 2015 Nairobi International Trade Fair.

The Hub is showcasing and promoting clean Cookstoves and environmentally friendly lighting technologies which are in line with this year's trade fair theme dubbed, "Enhancing Technology in Agriculture and Industry for Food Security and National Growth". This annual event has accorded wPOWER Hub of the Wangari Maathai Institute a platform to share information with stakeholders on its programme and activities that include promoting the role of women in clean energy solutions to climate change.
