

DoGES receives scholarships worth KES 1 million from Mitsubishi Corporation

Fifteen (15) undergraduate students of the Department of Geography & Environmental Studies are beneficiaries of the annual scholarships from Mitsubishi Corporation. The 2013/2014 scholarships is the fifth in its series. The scholarships, worth Kshs 65,000/= for each student, are awarded to needy but bright students. The scholarships and certificates were handed over to the University of Nairobi during a ceremony held at the Vice-Chancellor's Committee Room. Present during the occasion were Mr. Masatoshi Wada (General Manager, Mitsubishi Corporation), Prof. Henry Mutoro (Deputy Vice-Chancellor, Academic Affairs), Prof. EnosNjeru (Principal, College of Humanities and Social Sciences), Prof. Preston Chitere (Dean, Faculty of Arts), Dr. Samuel Owuor (Chairman, Department of Geography & Environmental Studies), Prof. Elias Ayiamba and Dr. ShadrackKithiia, among others.
