

# Davis & Shirliff Donates Pumping System Demonstration Kit

Date and time:

Fri, 11/06/2015 - 08:16

Davis & Shirliff Ltd. donated a pumping system demonstration Kit to the College of Architecture and Engineering on Friday, October 30, 2015. The Shirliff team that was led by their Technical Director, Mr. Philip Holi, expressed their delight and said that they were proud to be associated with UoN. They are also looking forward in forging more collaboration with the college in the near future.

The kit, which will be used to demonstrate the principles of water pumping, was received by Ag. Principal, [Prof. Peter M. Ngau](#) on behalf of Mechanical Engineering department. He also thanked the company for their generous donation. Present during the handover of the equipment were the Dean, School of Engineering, [Prof Mbuthia Jackson M.](#) and the Chairman, Mechanical Engineering, [Eng. Prof. Julius Maima Ogola](#) .
