

as suggested in my note
 of the 3rd of March 1915, would
 perhaps reduce to some
 extent the labour involved
 in the preparation. It
 would also be a
 convenience in the way
 of having a fixed figure
 to consult, and we
 should be glad of a
 reduction in the number
 of reports ~~submitted~~
 if this ~~could be made~~
 could be made without
 trouble.

EAST AFRICA PROTECTORATE

GOVERNMENT HOUSE,
NAIROBI, MOMBASA
BRITISH EAST AFRICA

CONFIDENTIAL.

Sir,

I have the honour to transmit herewith the usual Confidential reports upon Officers in the Service of this Protectorate for the year 1915.

2. I have so far been unsuccessful in obtaining any returns from the Land and Medical departments, but I think it inadvisable on that account to further delay the transmission of those which have been completed. I shall forward these reports at a later date, together with such comments as I may find it necessary to make upon the dilatoriness of the heads of these departments after I have received their respective explanations.

3. I have to express my personal regret that the enclosed reports should not have been furnished to you at an earlier date. The delay is partly accounted for by difficulty in collecting them punctually from the various departments, but is principally due to the fact that my Private Secretary is now the only remaining member of my staff, and, being hard pressed with a multiplicity of duties, has been quite unable to complete the typing of the enclosures with the expedition which would have been possible if he could have given his undivided attention to the work.

I have the honour to be,
Sir,
Your most obedient humble servant,

THE RIGHT HONOURABLE

ANDREW BONAR LAW, P.C., M.P.

SECRETARY OF STATE FOR THE COLONIES.

DOWLING STREET, LONDON, E.C.

Alonzo Bayard
GOVERNOR.

The reports seem to me far too numerous - though they are clear & impressive.

I suggest that last year's plan for a reduction in numbers should be repeated & emphasized.

Of all the officers in the higher ranks of the service I know no one so consistently well spoken of ^{as Mr. Mansworth} who has been so long without promotion. He has been in present afft throughout his career, i.e. since 1895.

It had occurred to me that he might be a likely candidate for the post of R.C. Mechanicals Post - but it has not been decided that this vacancy should not be brought before the Staff Col.

Of the more respectable reports, Mr. Brimmer, Mr. De Long, Mr. Haskie, & Mr. Swaine, are well over 50. The Participants are given on his paper (I have the names as the real Treasurer) Mr. Biggs (again) Mr. H. H. Haskie (1904 report confirmed) Mr. A. S. McDonald Mr. H. Roberts Mr. J. M. Pearson Mr. Talbot Smith Mr. T. Truitt, & Mr. H. A. Young, are not Attorney General, which they are to have transferred.

The following show improvement: - Mr. D. D. D., C. W. Lane, J. W. Major, A. R. Montgomery, G. E. Smith, J. H. Thomson (right)

Mr. Hobbs seems to have taken the war badly.

Mr. H. Belfield does not seem to have a high opinion of the heads (W. H. G. Ross & W. H. Tanner) of Mr. P. W. D.

I have reviewed the files of those who are reported on merely by reference to previous reports.

? B. C. A. looks like the kind of report you
