Talking the points in our telegram of
22^d June:

A) We shall have to tell F.O. at this
end what way to Takah Gath
with ref to 7072978877. I think
that we should say that as result of
report from local officer at Gavelchare
it has been decided to re-occupy
Selenki, the present opportunity
being specially favourable as
marches are now very well effected
to British G.O. & are untroubled with
the Arabians who murdered their
chief - a further that it is desirable
to conduct at once a small
Danga from Sheikh Mohammed Gany
reported to be 60 miles N. of Dolo
who is preaching jihad.
