Sir H. Read  
The minutes in which the rates for officers proceeding on leave to S. Africa were decided will be found in No 2087 / 18 (page 11) in the bundle below. These rates are designed I think to meet a special case and I do not see why they should be applied to the case of officers who are home in England. The latter are the more fortunate and think that the rate of 10/- a day for unavoidable detention at various ports should not be altered. I would simply reply by telegraph that the S.F.S. is not prepared to approve the proposal, as regards the refusal in a despatch.

1141 September 24th. Your despatch 11th December  
1916 No. 873 in view of the fact that officers proceeding  
on leave to England may be detained at South Africa for  
3 months or 4 months recommend that detention allowance  
~~should be made~~ 10/- per day should be increased to 15/-  
per day for married officers holding 1st Class appoint-  
ments so as to provide equal treatment for officers  
detained and for officers proceeding on leave to South  
Africa.

\* affixion = allowances of 1/- for  
affixion = allowances should be made for  
This is something of a trap, I think, and  
should be noted by G.O.
