MR A.J. FREEBORN'S PENSTON

Three copies of letter from Wandsworth Local Pension Committee and requests instructions.

My dear Sir,
In reply,

The H. P. letter definitely stated that the local committee had no authority to do the kind of thing, but nothing was said that Dept. comes as much of a surprise nowadays. The procedure such as your papers and some correspondence with H. P. Dept. is that they should not be taken into account unless the record began to be established and the pension committee persons while local committee have been paying at this rate of this is the case they should ask the Committee to make necessary adjustment in any future payments that in Committee ceasing to make this award they should continue to pay at old rate subject to adjustment subject to any re-employment or re-labouring

The H. P. will take
my case over with the others
as from Jan 1st next
