The term "So Africans" in No. letter of 3rd July should be interpreted to include "Rhodesia" for reading of future principles. There is no objection to a passage to Rhodesia being given to Mr Thwaites as he was given passage on understanding that return journey would be provided.

Sir,

With reference to your letter No.44057/19 dated

July 1919, should be interpreted to include "Rhodesia" for the
reading of future principles.

The Council desire me to add however, that there
is no objection to passage to Rhodesia being given to Mr.Thwaits,
as it appears that he was granted passage on the understanding
that return journey would be provided.

I am,
