Mr Robinson M. de L. G.

I annex a statement, for review, as
to Administrative Staff requirements in the
East African Protectorates. It need completion
as to Somaliland - perhaps Mr. de L. G. would add
that part. It will, I think show the major items
what is wanted, in the lines of the present
vacancies. I am forwarding with other statement -

25 Assistant District Commissioners

required. I cannot find any indication as to the urgency of the requirements, but probably 5 or 6 should be got as soon as possible.

Uganda

9 required as soon as possible

of these 7 are in the existing establishment, 2 are provided for in the new Estimates and approved. Probably Uganda will not along with 3 immediate appointments.

Yorubaland

Assistant Resident

2, stated to be urgently

required. But as three or four have recently been appointed locally, probably Nigeria can wait for 2 months or so.
