(I am afraid there has been very much delay, but I have been trying to recover the amount assisted passage) -

I think that Mr. Perry's case is exactly similar to that of Mr. Murray (attached) - a similar case

each receipt of his letter, a receipt for the delay, and the fact that it is being paid to the man, was settled. It is a long time ago that I was able to address the letter

and from the letter to the D.S.O. and ask them to return it together with copies of the Press notice and application

If these to be the general procedure in such cases, we  
should ask O.S.O. for a supply of the form's & then find  
use as each case arises. Mr Perry has obtained Govt.  
employment, but I don't suppose that making any difference  
to the O.S.O. providing 50 copies of the form's & return

I went to see the O.S.O. on the 22<sup>nd</sup> -

Mr Plant explained that we can deal  
with cases like Mrs Hawley's - The O.S.O.  
require the attached form filled in either  
by the man or, if a certificate of military  
service and of his suitability as a soldier  
can be provided by the Com. of his  
wife. In this case we cannot certify to  
Mr Perry's military service - so I  
will have to

I send to you a similar letter to that  
on 41941 & inform Mrs Perry of the action we

have taken and that she will have  
access in a future communication from  
in due course.

Should be on of the  
money from a letter.
