Dear Mr Sewell

To there any chance of my being able to obtain some appointment in British East Africa or Uganda, in the Forestry, Agricultural, or Native Affairs Depart, or even the P.W.D. or Treasury.

It feels rather hopeless obtaining anything in England so have to make up my mind to go back to the Colonies.

Failing my being unable to obtain anything through the Colonial Office, I shall require to be sent back to Rhodesia at the expiration of my leave.

I suppose I will be able to obtain an indulgence passage for my Wife, if she comes to Rhodesia.

Have you received any news regarding my Claim for lost bit, and the amount due as Graduate?

I am, yours truly,

C. N. Sewell Esq
