I take the opportunity of
 saying that I find the salary small
 amount 13% for myself absolutely
 inadequate & considering my
 husband J. S. Howard was an
 interpreter I really feel that I
 am entitled to something more
 substantial to enable me to educate
 our children & to develop
 them in a office which I am
 impeded to let lay dormant
 by financial straits
 Trusting you will be able to
 help me & thanking you in
 anticipation

I beg to remain

Yours respectfully
