Dear Sir

I am sorry but I have replied
your letter of the 16th Oct + before but
have been delayed in getting the certificate
which you required, & which I am herewith
sending you

The certificate of the birth of my child, &
also certificate of the birth of myself.
These I should be glad if when you have
finished with

Your request for my husband's position
during 1914 + 1916. In two previous years I
was joining the army was spent in running
my own farm, & also managing a coffee
estate (I am holding a letter copying
this) & would like to add that besides the
we were given a very good store with house
I considered specially good for the country
also free produce of the estate. - with

 300 a year
 With reference to our own farm it
 is difficult for me to state exactly what
 our income was as we had only had
 it a short time & the outlay had been
 considerable, but from my sources I
 think I am safe in saying it was worth
 \$200 a year - then which by the
 time of course would be a great deal
 more. So that at
 all I think I am correct in stating
 our income was worth \$500 a year
 prior to my husband joining the Col. - 1894

Yours Truly
