The despatch on Field Operations has not yet arrived. The Govt agrees with the recommendation of the D.G. (see his minute on 2860) that £50 should be paid to each officer for wear and tear of uniform. It is only fair that the civil as well as the military officers concerned should have this allowance.

I suppose that Mr. Lowe should have it, in spite of his resignation.

As he is in this country we had better authorize CA to pay him and inform Mr. Lowe that the allowance has been approved and that CA have been authorized to pay.

It is only fair that the allowance has been approved and that CA have been authorized to pay.
