Sir,

I have the honour to refer to your despatch No.1072 of December 16th respecting the investigation of Tsetse Fly areas.

2. At present all the best known areas are in military occupation, and this circumstance, coupled with the fact that the Medical Department is very fully engaged with other duties, renders it impossible to take the suggested measures until conditions once more become normal, when your instructions will be borne in mind.

3. ~~Slides~~ slides will be available when it is possible to recommence the investigations requiring their use.

etc
I have the honour to be,

Sir,

Your humble, obedient servant,

THE RIGHT HONOURABLE
LEWIS HARCOURT, P.C., M.P.,
