Dr. Nichols has more than ordinary qualifications and asks primarily for a post as Bacteriologist or Pathologist in Egypt, S.E.A. or any Colony where his wife can be with him.

He was apptd Govt Bacteriologist S. Sudan in 1909 (Tannan) and resigned the post in 1913 to enter the service of the Magdala Soda Company in the E. A. P. at £500 + £100. He has been serving in the P. A. M. S. (military) since the outbreak of war.

Mr. Read mentioned his qualifications on 6828/13 and 8498/13: and suggested that he was too good for the ordinary M.O. posts in E. Africa.

next subsequent Paper.

The Govt does not refer to any actual

vacancy in the E.A.P. There is a vacancy
vice D^r P. N. Russell (resigned) - File 5464/5
and the Gov^r has promised a dep. as
to filling it.

There are more pressing vacancies in
Somaliland (probably 2) and Nyasaland
but I doubt whether D^r Nicholls would
take any of these, as he seems keen on
the E.A.P. He is prepared to take
an ordinary M.O. post.

? first ask Gov^r E.A.P. by telegraph
what vacancy D^r Nicholls would fill
if his appt. were approved.
