With reference to recent correspondence regarding the establishment of a secondary base by the Belgian Government at Mombasa ending with my note of 14th instant, I have the honour to inform you that the authorities of British East Africa would be glad to learn for what period accommodation will be required at Mombasa for the Belgian ammunition and what quantity of such ammunition may be expected to be stored at any one time.

I shall be grateful if you will furnish me with information on these points.

I have the honour to be,  
with the highest consideration,

Sir,

Your most obedient,

Humble Servant,
