Kenya No 582

Sir I have the pleasure to acknowledge the receipt of your

[Not]

despatch No 411 of the 19th June, and to

inform you that I approve the adoption of

the procedure ^{indicated therein} ~~you state~~ for dealing with

telegrams sent by the Government on

behalf of private individuals. It is

desired that such telegrams should be

included in the numbered series.

I have
y

(Signed) PASSFIELD.

Mr. Allen,

Yes. All tels. except "personal" messages are included in the series and the Gov. shd. follow the same line.

I shd. not have thought that the Kenyaradio Service at 9d a word en clair was "considerably" cheaper than the cable rate for coded messages at 1/2 (Govt. rate) or even 2/4 (public rate) when our Code is held to save approx. two thirds of the number of words and in addition provides for the words of more than 10 letters (the maximum by cable or wireless for any word).

*H
as
1933*

Normally we do not use Kenyaradio because of its unreliability but doubtless it will be considered that the Gov. may be left to please himself. Only 5 such messages have been recd. in 1930.

My Lord,

(No. 9. on 15232/28)
(Rtd. (.....))

I have the honour to refer to Mr. Amery's despatch No. 4 of the 2nd January, 1929, regarding the procedure to be adopted in respect of telegrams sent by Government on behalf of private individuals and to inform Your Lordship that in the case of telegrams which are not of a confidential nature but merely deal with ordinary routine matters of leave, applications for transfer, etc., it has been customary to send 'en clair' via Kenyaradio Wireless Service as the cost by this route is considerably cheaper.

Answer - 1582 - 30 JUL 1930

2. It is assumed that in the case of telegrams sent in code the cost recoverable from the individual concerned should be based on the number of code words used and not on the actual words contained in the message.

3. I should be glad to learn whether this method of dealing with such telegrams meets with Your Lordship's approval and if these telegrams should be included in the series of numbered telegrams.

I have the honour to be,
My Lord,

Your Lordship's obedient, humble servant,

Edward G. King
GOVERNOR.
