DATE

It is noted that the enclosed with
specification of items and value of the items are
to be included in the enclosure with values.

MINUTES

It is noted that
with no doubt follows that
approved in 3611/22 for the
Kenya & Uganda more generally.
There is therefore no question of
a submission to H.M. being
required. At the same time
I think that we should have
a look at the stamps before
they
