As the last paragraph, the
local Hertha are prepared to give up
the fence siding case and the
one agreed to hold it off, on the
understanding that, the fencing becomes
part of the Government's plan. The

S.H.'s view that it ought to go in any
case are reasonable, but the discussions

be held - until what from the fact

he says, has been agreed to on

Dear Mr. Ormsby Gore,

Thanks for your letter of April 1925 received to-day. I can quite realise that you think it better to defer the matter of siding charges until completion of the purchase of the Estate.

As soon as I hear from Kenya I will communicate with you again

Yours sincerely,

Dear Mr. Chantrey-Gore,

I thank you for your letter of the 21st instant regarding M'Bareki and am much obliged for the consideration you have given the matter.

I am afraid it will be necessary to obtain the opinion of the ~~Lebanese~~ officials of the ~~Lebanese~~ ~~Wharfage Company~~ on some of the points which you refer, but as soon as I have heard from them I shall be very pleased to arrange for a meeting ~~between~~ with you in order to remove any difficulty which may be in the adoption of your proposals.

In the event of the world not being possible for you to arrange that until the officials at present are definitely settled the local authorities shall agree to withdraw at once the present ~~existing~~ badge?

I am sincerely,

J. A. Marshall

Dear Mr. Ormsby-Gore,

I thank you for your letter of the 21st instant regarding Mbarazi and am much obliged for the consideration you have given the matter.

I am afraid it will be necessary to make a proposal to the Mombasa officials to effect an marriage arrangement some time in the near future. I would like to be allowed to meet them at their convenience. We very sincerely yours, A. J. G. and I would be grateful if you could let me know if my suggestion is acceptable.

In the meantime would it be possible for you to arrange that all the documents above are definitely settled so that no difficulties shall arise in withdraw of the same at a present stage?

Yours very truly
