Sir

CONFIDENTIAL

I have etc. to ask the receipt of your Confidential despatch No. 61 of the 18th May, forwarding schedules of Immigration and Emigration for the year 1924.

2. I have noted these statistics with interest, and shall be glad if the figures for the twelve months ending the 30th June, 1925, asked for in my despatch No. 528 of the 10th June last, can be rendered as early as possible. I hope that in furnishing these figures it will have been found possible to indicate definitely the number of immigrants and emigrants in respect of Kenya alone.

3. As regards para 3 of your despatch

under acknowledgment, I have now learned that

it is proposed to make provision for a

Statistical Officer in the Estimates for 1926.

I have, etc

(Signed) L. S. AMERY
