We told Governors, in para 10 of our despatch on 50968^{hy} that if it was not practicable to introduce new arrangements as from April 1st, the present local allowance arrangements would be continued until the matter is settled. It is fairly clear that April 1st will not see the settlement, but perhaps we can wait until the middle of March, before taking any action to authorise continuation of the present rates?

We have not yet received the proposals of the E.A. Govts. with regard to the form of the local allowance. When the proposals are received, a committee here and discussion with the Treasury may take a month, reference back to E.A. may be necessary, and some notice of any change will have to be given so that administrative arrangements can be made.

In the case I think we might ~~perhaps~~ let the present arrangements run on until 30th June, informing the 3 Govts. by telegram or sending a copy of the tel. to C.A.

The pay memorandum sent with offers of appt. must be amended.

~~But~~

But in view of the wording of

of Treas/50958/20, I am afraid that
E.A.

we must square the Treasury, who
obviously expect to be consulted.

GOVERNMENT HOUSE,

Sir,

*Heads

20 E.A.*

I have the honour to acknowledge the receipt of your Confidential despatch of the 18th November last, on the subject of arrangements contemplated for the replacement of the local allowance at present payable on the salaries of European Officers, and to inform you that, in view of the importance and intricacy of the questions raised, I have appointed a Committee to confer with Heads of Departments and report to me on the matter in the first instance.

2. I am sending a copy of this despatch to the Governor, Kenya, and the Officer Administering the Government of Tanganyika Territory, with a proposal that, as soon as possible after the completion of the Report, the local Committee should confer with representatives of the other Governments concerned with a view to the submission of joint recommendations to you. I anticipate that the report of the local Committee will be completed about the middle of February and in so far as this Government is concerned, the suggested meeting between the Committee and representatives of the Governments of Kenya and Tanganyika Territory could be arranged to take place during the latter part of the same month.

3. While I am anxious to expedite matters as far as possible,

Right Honourable
