Did the "let" report on 8/7/19 and D

of this letter is a little early. We doubt that he is 20855/19

We had better tell him of that the h.Q. report that he should not return to CAP at present that his case has been referred to the h.Q. prison as it is slightly above for discharge or parole, tell him about the new release date of 10/1/19.

back cases like this I think it would be simpler just to tell them that the pay up to date of 10/1/19 will be paid on the spot after date of dem. to + 6 weeks will be paid on the form of a gratuity. The C.A. should be prepared accordingly and a little shift to h.Q.P. on proposal also including

August 13th 1919

The Under Secretary of State
Colonial Office

As instructed have been examined by
I Mr. W. T. Prout at Chester yesterday. It is
noted that I am not fit to return to East Africa
at the end of September. This conclusion is entirely
due to the consequences of the campaign in East
Africa as I have to have every precaution necessary
for recovery.

I was in process of completing arrangements to
return to East Africa at the end of September or
the October but it is now not fit to attempt to do
so. However, I can afford to stay in this country
until the end of the year.

Your obedient servant

C. Alexander
