Declines - a salary inadequate

Dear Sir

Oct 18/19

Mr Bellamy

Pharos at White Hall

Could he not be remunerated as  
to prospects of improvement &  
as to wages being likely  
to remain as long as cost of  
living is high. It was my  
a pity to lose him. I hope you  
will write out the same sum  
that he might take on being  
advised of remunerative - if  
he would do so.

Yours truly

It is my hope that the provision of permanent  
allowance is better than with the Govt. etc.

has been authorized to sign the Civil  
Service of the Post. But had better is  
relief it that it is necessary that  
there should be a general improvement  
in salaries. And for the purpose  
as can be seen there is no reason  
to suppose that the present one being  
will not continue up to the date of  
application of the revised remuneration  
rate of salary.
