letter will be that it was to G. C.
that we were referring in our letter
of 12 November, when we said
that it might be a condition that
permits will be refused. That
it is suspected that they will do well
to communicate direct with
the Prot. Gals in East
Africa. The adv. is G. C. A.
to be made. It is assumed
that they will be
and expect to be
in the G. C. A. C.
