It is worth to that Mr. Sandford  
has been that so good an opinion has  
been formed of Mr. Sandford's work.  
that it is far beyond measure. The  
general public has not but there  
has been a great measure to that

RECEIVED

SIR,

I have the pleasure to refer to Colonel  
Avery's despatch No. 405 of the 6th December on  
the subject of the publication of Mr. T. R.  
Sandford's volume entitled 'An Administrative  
and Political Record of the Mauai Reserve.' One  
hundred copies of this work have been received  
by the Crown Agents for the Colonies and a  
number have been distributed for use in  
various Departments and amongst Administrative  
officers concerned.

2. There is an unanimous opinion that  
Mr. Sandford's work is a most valuable record.  
It undoubtedly represents considerable work  
and having been written in the course  
of a period of three months is the more  
impressive for that. It is a record  
worthy of being preserved and it is  
hoped the Government will be authorized  
to purchase the work and to make it  
available to Mr. Sandford as a mark of appreciation.

THE RIGHT HONOURABLE  
WINSTON CHURCHILL, P.C., M.P.,  
SECRETARY OF STATE FOR THE COLONIES,

LONDON, S.W.

I understand that a similar practice has been adopted in other Administrations, e.g. to Mr.

Mr. R. Wallis, C.M.B., late Chief Secretary to the Government of Uganda, in respect of his Handbook for that Protectorate, and I trust that my proposal will receive favourable consideration in the present instance.

I have the honor to be, Sir, 113

Sir,

Your humble, obedient servant,
