191 April. India Association request me to  
transmit following message asking that copies be sent  
Prime Minister Secretary of State for India begins  
reference cable from Nairobi municipality regarding  
segregation. Nairobi municipalit. represents  
Europeans its views consequently biased and one  
sided. Indians unequivocally opposed to segregation  
or reservation in any shape or form. Segregation has  
already done incalculable harm interest and trade.  
Pray for its immediate removal ends.
