Sir,

With reference to Section 247 of the Colonial Regulations, I have the honour to ask for sanction to change the allocation of one of the interpreters of the Northern Frontier District from Item No. 419 "Interpreters" to item 420 "Abyssinian Interpreter".

2. The man in question is an Aulihan Somali by name Hiloli Mohamed. He has been in Government employ for more than 12 years and has served the Government well and faithfully. Every successive officer in charge of the Northern Frontier District has reported on him equally favourably.

3. His present rate of pay is Florins 120/- per mensem. I propose to rank him as a 3rd grade clerk on the pensionable establishment; the minimum of this grade is Florins 125/- per mensem, and the nett result of the change will be

THE RIGHT HONOURABLE
WINSTON CHURCHILL, P.C., M.P.,
SECRETARY OF STATE FOR THE COLONIES,
DOWNING STREET,
LONDON, S.W.,

2.

be that Item 419 will be reduced by £144 and Item 420 will be increased by £150.

4. The man occupies an unique position on the Frontier and will be most useful to the military officers who are just assuming control, but the main reason that I have for wishing to place him on the pensionable staff is that I anticipate when the time shall come for him to return to his village as a pensioner of the Government, his influence with his fellow tribesmen, being exerted on behalf of the Government, will be of very real value.

5. I propose to make this change as from the 1st April 1921 and I trust that it may receive your approval.

I have the honour to be,

Sir,

Your humble, obedient servant,

Edward Mackay

GOVERNOR.
