There seems no doubt that "December" in this tel. should read "Dunbar". The point then is whether, in spite of W.O. ruling, as all ~~other~~ Imperial officers received gratuity at 1/8 to the rupee, the payment to Major Dunbar <sup>at 1/4</sup> should still stand.

In view of 31014/21 I do not think it necessary to ask W.O. as to this, but we may as well let them know how matters stand, though I see no reason to send copy

in the case of ~~all~~ Imperial  
officers, ~~who have received~~  
~~benefit of the Act~~ and in these  
cases the <sup>C.A.G.</sup> Govt has asked whether  
the payment made to Major  
K. M. Duroar, S. A. Army Service  
Corps, at  $15/8$  d. to the  
rupee should stand.

2. In view of your letter  
above referred to, Mr. Churchill  
has replied to this enquiry  
in the affirmative. He presumes

that the H.C. will not  
deem that any further  
action should be taken in  
regard to the officers who  
received gratuities at  $15/8$  d.  
to the rupee. The reason for

the adoption of this rate is  
explained in the despatch from the  
Govt which formed an enc. to  
the letter from this Dept. No. 26624/20  
the 7th of June.
